

The Official Congress Highlights Report

MEAVC 2025 Insights & Statistics

+1000 Professional Veterinary & Exhibitor Attendees from 67 Countries and Regions

The **2nd Middle East & Africa Veterinary Congress (MEAVC 2025)** proudly welcomed **over 1,000 professional attendees** from **67 countries and regions**, including **73.48% veterinarians, 23.52% exhibitors, 2% veterinary nurses, and 1% students**.

The largest visitor group came from the **United Arab Emirates (49%)**, followed by the **Gulf Region (15%)**, **Egypt (8%)**, **Saudi Arabia (5%)**, **Morocco (3%)**, **Ukraine (2.5%)**, **Vietnam (2.5%)**, **India (2%)**, **China (1.5%)**, and other countries (11.5%).

MEAVC 2025 attracted a diverse audience of **veterinarians, technicians, clinic managers, and specialized nurses** working in the **companion animal and exotic medicine sectors** across the **Middle East, Africa, and Asia**.

The congress recorded a **remarkable increase in international participation**, reflecting its growing reputation as a leading regional platform for **education, networking, and business** in the veterinary and pet care industries.

MEAVC 2025 Exhibitors & International Presence

MEAVC 2025 hosted an impressive lineup of multinational companies and global industry leaders, presenting their latest innovations and veterinary solutions.

Among the top-tier participants were **Hill's Pet Nutrition, Nova Pharma Group, Boehringer Ingelheim, EMASCO, IFT, MSD Animal Health, Virbac, Gozl and Elanco** — all recognized for their continued commitment to advancing animal health worldwide.

In addition to these major global brands, the exhibition also featured a strong presence from regional and emerging companies representing **Egypt, China, Vietnam, Jordan, Korea, and other countries across the Middle East and Asia.**

The exhibition area served as a vibrant hub for business and professional exchange, connecting manufacturers, distributors, and veterinarians to explore opportunities in companion animals and exotic animals.

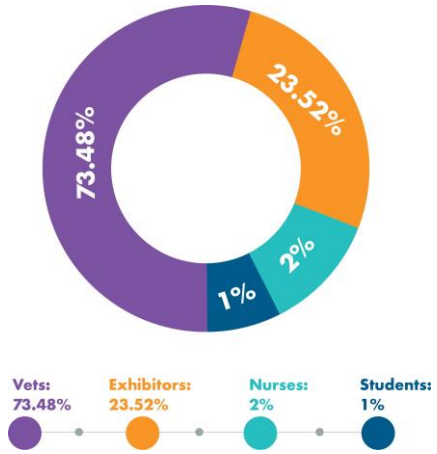

Through this rich mix of multinational presence and regional participation, MEAVC 2025 reaffirmed its position as a leading veterinary platform bridging global innovation with regional expertise.

MEAVC 2025 Scientific Program: 74 Lectures & Masterclasses, 5 Workshops & 4 Wet Labs

Alongside the dynamic exhibition halls, **MEAVC 2025** delivered its most comprehensive **scientific program** to date.

Over two days, the congress featured **74 lectures and masterclasses**, offering cutting-edge knowledge across multiple disciplines in **companion animal and exotic medicine**.

The program also included **five specialized workshops** in **Dentistry, Cardiology, Small Mammals, Veterinary Business Management, and Homeopathy**, attended by **12.91% of veterinarians**.

Prior to the main congress, on **October 17th**, four **intensive pre-congress wet labs** provided hands-on training with live animals — covering **Echocardiography, Dentistry, Acupuncture, and Oncology** — attracting **15.35% of the total veterinarian attendees**.

Altogether, the MEAVC 2025 scientific program offered an exceptional balance of **theoretical and practical education**, uniting **experts, clinicians, and young professionals** from across the **Middle East, Africa, and Asia** under one mission: Better Veterinary Education for a Better future.

Networking & Industry Connections at MEAVC 2025

MEAVC 2025 provided an outstanding platform for networking, collaboration, and knowledge exchange, uniting veterinarians, key opinion leaders, and industry representatives from around the world.

Across the congress, **five dedicated Industry Sessions offered** interactive discussions between experts and leading companies. These sessions, including those by **Hill's Pet Nutrition, Nova Vet Family, Boehringer Ingelheim, Elanco, and Zoites, tackled** the latest innovations, challenges, and opportunities in the companion animal and exotic medicine sectors.

Stay Tuned for MEAVC 2027

Following the great success of MEAVC 2025, we're thrilled to announce that preparations for MEAVC 2027 are already underway!

Get ready for new themes, interactive workshops, live experiences, and expanded networking opportunities that will take the veterinary journey to the next level.

📢 **Official dates and announcements coming soon — stay tuned for another unforgettable MEAVC experience in 2027!**
